## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 102***

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

2. Claims 1, 2 and 6-8 are rejected under 35 U.S.C. 102(e) as being anticipated by Higeta et al (U.S. Pat. No. 6,763,209).

Higeta et al disclose a remanufactured laser printer toner cartridge B comprising a doctor blade 9d having a contact face and the contact face having a length and a width dimensions (Fig. 22), a worn area extending along its length and width, the worn area extending less than the width of the contact face, the doctor blade removably secured to the roller section; the unworn area only of the contact face in direct contact with a developer roller (Col. 33, line 65 thru Col. 34, line 65).

Higeta further disclose the doctor blade having a rigid metallic portion 9d1a having a planar face with a metering surface and a polymeric portion 9d2 (Fig. 22).

### ***Allowable Subject Matter***

3. Claims 3-5 and 9 are allowed.
4. The following is a statement of reasons for the indication of allowable subject matter: None of the prior art of record teach a method for reusing a wiper blade on a
